---

## **CISD MISSION STATEMENT:**

The mission of the Coppell Independent School District, as a committed and proven leader in educational excellence, is to ensure our learners achieve personal success, develop strong moral character, and become dynamic leaders and global citizens with a zeal for service by engaging each individual through innovative learning experiences led by a visionary staff and progressive community.

# CISD DISTRICT IMPROVEMENT PLAN

**STRATEGIC OBJECTIVE/GOAL 1:** We will design comprehensive learning services that empower all learners with skills and knowledge to ensure their individualized growth and success.

- **Performance Objective 1:** Develop a comprehensive professional learning plan to actualize the CISD Learning Framework.
- **Performance Objective 2:** Reframe and prioritize state standards in a way that leads to profound learning.
- **Performance Objective 3:** Align the written, taught and assessed curriculum.
- **Performance Objective 4:** Sustain district-wide EC-12 TEKS-aligned curriculum and assessment with research-based instructional practices that enhance all curricular areas.
- **Performance Objective 5:** Create a system for establishing and maintaining reciprocal community partnerships in order to increase authentic and field based learning experiences.
- **Performance Objective 6:** Implement a system or systems to assess Future-Ready skills.
- **Performance Objective 7:** Integrate Future-Ready learning skills within the district.
- **Performance Objective 8:** Increase connections between real world experiences and authentic classroom instruction.
- **Performance Objective 9:** Transform systems to more effectively prepare students to be successful in post-secondary education and beyond.
- **Performance Objective 10:** Provide professional learning for educators and administrators on the effective use of data and assessment tools to inform the design.

**STRATEGIC OBJECTIVE/GOAL 2:** We will respect and leverage the diversity that exists in our community to provide a world-class learning environment.

- **Performance Objective 1:** Increase educator proficiency to respond to our diverse community of learners.
- **Performance Objective 2:** Promote the development and demonstration of positive character traits including (but not limited to): Courage, Trustworthiness, Integrity, Respect & Courtesy, Responsibility, Fairness, Caring, Good Citizenship, and School Pride consistent with the terms of the TEC Section 29.906.

**STRATEGIC OBJECTIVE/GOAL 3:** We will foster proactive and reciprocal communication for the learner success.

- **Performance Objective 1:** Create a system for establishing and maintaining reciprocal community partnerships in order to increase authentic and field based learning experiences.
- **Performance Objective 2:** Create a system to communicate foundational and future-ready skills for each learner.
- **Performance Objective 3:** Communicate the district assessment plan to parents and teachers and report outcomes individually to parents and collectively to stakeholders.

**STRATEGIC OBJECTIVE/GOAL 4:** Design a comprehensive instructional technology system that redefines the role of technology in the classroom (create and share content, collaborate with other learners throughout the world).

- **Performance Objective 1:** Seamlessly integrate digital citizenship across the curriculum so all stakeholders collaborate in an atmosphere of respect, integrity, sharing, trust, and service.
- **Performance Objective 2:** Increase CISD staff's level of technology integration expertise (proficiencies) through a differentiated professional learning program that addresses 21<sup>st</sup> Century technology skills.

**STRATEGIC OBJECTIVE/GOAL 5:** We will create a community-based accountability system for reporting learner growth.

- **Performance Objective 1:** Develop support and work with the community to establish a comprehensive accountability system for CISD and an environment conducive to optimal learning and growth.

## Campus Needs Assessment

List data utilized to identify the needs of your campus

- Local Assessments
- Read 180 data
- MAP Data
- Report Cards
- RTI Data
- STAAR Results (All system safeguards are Y)
- Classroom Observations
- Attendance Records
- Discipline Referrals
- Educator Feedback
- District Feedback
- Parent Engagement Survey Feedback
- Pinnacle 2020
- Learner Profile
- Lakeside Pedagogy Framework

List the identified needs of your campus derived from data review

RTI data will be used to further differentiate the instruction to meet the needs of the individual learners.

STAAR and MAP data will be utilized to emphasize and target math and reading interventions, focusing on the individual learner's needs in specific targeted areas while continuing to promote critical thinking and problem solving.

The Learning Framework will continue to refine and improve our focus on effective assessment practices, scaffolding, voice and choice through Project Based Learning. Educators will be supported with project creation and lesson design through professional development, coaching support, feedback and walkthroughs with specific feedback.

Communication with stakeholders on how we are equipping learners with future ready skills.

We will foster a reciprocal relationship with stakeholders, including district liaisons, PBL coaches, content directors, etc. to enhance our overall learning environment and the implementation of the CISD Strategic Plan.
