

Coppel Independent School District
Mockingbird Elementary
Campus Improvement Plan
2015-2016

Pam Mitchell, Principal

The mission of the Coppel Independent School District, as a committed and proven leader in educational excellence, is to ensure our learners achieve personal success, develop strong moral character, and become dynamic leaders and global citizens with a zeal for service by engaging each individual through innovative learning experiences led by a visionary staff and progressive community.

CISD DISTRICT IMPROVEMENT PLAN

STRATEGIC OBJECTIVE/GOAL 1: Leverage our resources to provide opportunities for our learners to explore and discover their passions. (community partnerships, technology, etc.)

- **Performance Objective 1:** Create a system for establishing and maintaining reciprocal community partnerships in order to increase authentic and field based learning experiences.
- **Performance Objective 2:** Increase volunteer and service opportunities for learners within the community.
- **Performance Objective 3:** Expand opportunities for internships and job shadowing.
- **Performance Objective 4:** Partner with industry professionals to design and offer field-based learning experiences for educators.

STRATEGIC OBJECTIVE/GOAL 2: We will find creative solutions to address increasing enrollment while maximizing opportunities for individual learners.

- **Performance Objective 1:** Expand learning spaces within and outside of CISD facilities through the development of new and existing community partnerships.
- **Performance Objective 2:** Redesign or repurpose current learning spaces to provide flexibility and maximize learning opportunities for learners.
- **Performance Objective 3:** Develop a Long Range Facility Plan based on an evaluation of projected growth, learning services, and technology.

STRATEGIC OBJECTIVE/GOAL 3: We will foster proactive and reciprocal communication for the learner success.

- **Performance Objective 1:** Create a system to communicate foundational and future-ready skills for each learner.

STRATEGIC OBJECTIVE/GOAL 4: We will respect and leverage the diversity that exists in our community to provide a world class learning environment.

- **Performance Objective 1:** Increase educator proficiency to respond to our diverse community of learners.
- **Performance Objective 2:** Expand program offerings that reflect our diverse community.

STRATEGIC OBJECTIVE/GOAL 5: We will design comprehensive learning services that empower all learners with skills and knowledge to ensure their individualized growth and success.

- **Performance Objective 1:** Provide professional learning for educators and administrators on the effective use of data and assessment tools to inform the design.
- **Performance Objective 2:** Create a community-based accountability system for reporting learner growth.

- **Performance Objective 3:** Implement goal setting Pre K -12 to empower learners to take responsibility for their growth. (i.e. academic, social, and emotional).
- **Performance Objective 4:** Develop a comprehensive professional learning plan to actualize the CISD Learning Framework.
- **Performance Objective 5:** Reframe and prioritize state standards in a way that leads to profound learning.
- **Performance Objective 6:** Design a comprehensive instructional technology system that redefines the role of technology in the classroom (create and share content, collaborate with other learners throughout the world).
- **Performance Objective 7:** Seamlessly integrate digital citizenship across the curriculum so all stakeholders collaborate in an atmosphere of respect, integrity, sharing, trust, and service.

CAMPUS NEEDS ASSESSMENT

List Data utilized to identify the needs of the campus:

- Campus Assessment Data (STAAR, TELPAS, iStation, CoGAT, District Assessments)
- Learner Interest Surveys
- Walkthrough/Observation Data
- Educator Goal Setting
- Visioning Document
- Learning Framework
- Learning Walks
- Curriculum Department Feedback/Input
- Standards Based Report Cards
- RtI and At-Risk Data
- Attendance Data
- Discipline Records
- AYP Measures
- SBDM Committee, campus leadership, grade level and faculty meetings
- Parent/Learner surveys and feedback
- Learner failure rates
- Prior year(s) campus and/or district improvement plans
- Gifted and Talented data
- Learners served by Section 504, including performance, discipline, attendance and mobility
- Number of learners assigned to special programs, including their academic achievement, race/ethnicity, gender etc.

List the identified needs of the campus derived from data review

- Based on STAAR and AYP data, emphasis will be placed on closing the achievement gap for each learner by focusing on individual instructional needs.
- Professional learning to address gap in achievement between learner populations
- STAAR data indicates a need to continue to close the achievement gap for learner populations.
- Professional learning regarding differentiation in the math classroom
- Through the lens of CISD Learning Framework and RtI data, we will differentiate instruction to meet the needs of individual learners.
- Educators will analyze BOY, MOY, EOY (K-2) to target individual learner needs.
- Based on the Visioning Implementation Matrix, we will focus on improving effective instructional design and assessment.
- Based upon discipline and attendance data, we will emphasize character development through CEP's 11 Principles of Effective Character, R Time and Great Expectations.
- Further utilization of Future Ready Outcomes to address future ready skills
- Opportunities to deepen understanding of Educator Evaluation
- Opportunities to deepen understanding of and actualization of the Learning Framework

English Language Arts & Reading

Strategies	Resources	Staff Responsible	Evaluation
1. Develop LOTE curriculum and align to the new LOTE standards	LOTE standards; Funds for Curriculum Writing	Director of Language and Literacy	LOTE curriculum; Alignment document
2. Deepen understanding and strengthen implementation of the vocabulary Membean Program at the middle and high schools	Membean	Director of Language and Literacy	Membean reports; Educator and Administrator feedback
3. Deepen understanding and calibrate Write From The Beginning and Beyond expository and narrative implementation	Write From Beginning Training, and STAAR/EOC Data	Director of Language and Literacy; Campus Administrators	Professional Learning Sign-in sheets; Walkthroughs; STAAR Writing Data; Walkthrough Data; Lesson Plan Data; District Writing Samples
4. Develop K-12 Scope and Sequences aligned to the Understanding by Design Framework of planning	Learning Framework, Visioning Document, Eduphoria, and TEKS	Director of Language and Literacy	Completed Scope and Sequences

Math

Strategies	Resources	Staff Responsible	Evaluation
1. Provide multiple methods of support to K-12 mathematics educators in implementing the revised 2012 TEKS.	TEKS, Curriculum documents; and Campus Instructional Math Leads; Math Coaches	Director of Mathematics	Alignment of curriculum documents; Walkthroughs; STAAR Data
2. Strengthen instructional practices through effective evidence-based instruction.	Splash Screens; Visioning Document, CISD Learning Framework, 8 Mathematical Practices, Instructional Leadership Team, and CISD Mathematics Philosophy and Guiding Principles	Director of Mathematics	STAAR Data; District Benchmark Data; Classroom Walkthrough Data, and Learning Design Units

3. Develop Scope and Sequence documents K-12 and CISD math macro curriculum	Math TEKS; 8 Mathematical Practices	Director of Mathematics	Scope and Sequence documents
---	-------------------------------------	-------------------------	------------------------------

Science

Strategies	Resources	Staff Responsible	Evaluation
1. Continue to support inquiry-based instruction K-12 with an emphasis on physical, life, and earth sciences to mirror TEKS.	FOSS Kits, STC Kits, and Inquiry-Based Instruction Training	Director of Science	STAAR Data; Classroom Walkthrough Data, and Learning Design Units
2. Focus on improving formative assessment for educators to monitor and adjust instruction based on learner feedback	Professional Learning Communities, Professional Learning	Director of Science	Eduphoria Records, Classroom Walkthrough Data, Learner Products, and Learning Design Units
3. Implement pre and post assessments 3-8 to assist educators in targeting areas of concern and to enrich where needed	Forethought; Pre and Post assessments	Director of Science	Pre and Post assessments; District
4. Implement district benchmark assessments at various grade levels	Assessments; AWARE	Director of Science	District Benchmark Data

Social Studies

Strategies	Resources	Staff Responsible	Evaluation
1. Train educators on the new SS adoption materials for effective implementation	Social Studies adoption materials	Coordinator of Social Studies	Eduphoria Records, Classroom Walkthrough Data, and Learning Design Units
2. Develop pre and post assessments aligned to the TEKS for every SS unit plan in grades 6-8	Funds for assessment development	Coordinator of Social Studies	Pre and Post Assessments
3. Develop Scope and Sequences to align the curriculum vertically K-12	TEKS	Coordinator of Social Studies	Completed Scope and Sequence documents

4. Target economically disadvantaged learners for performance improvement in social studies through the use of lesson design and resources	Nonfiction leveled reading materials; Social Studies Splash Screens to promote enduring understandings of the content	Coordinator of Social Studies	STAAR Social Studies Data
5. Implement benchmark assessments at various grade levels	Assessments; AWARE	Coordinator of Social Studies	District Benchmark Data

Instruction by Highly Qualified Professional Staff	<p>Teachers and paraprofessionals meet the highly qualified requirements; parents are aware of the highly qualified status of all teachers.</p> <p>All teachers are assigned to the areas in which they are certified to teach.</p>	
Highly-qualified and Ongoing Professional Development	<p>All staff is trained to meet individual needs of all students, but particularly the lowest achieving students of any program that is included in the school wide program.</p> <p>All staff receives ongoing sustained professional development that is aligned with the goals of the new vision plan.</p>	
Strategies to Attract Highly Qualified Staff	The school is allowed to provide incentives for highly qualified teachers to teach in high need schools.	

	Only teachers who are highly qualified are assigned to low achieving students and this is the policy throughout the district.	
Strategies to Increase Parental Involvement	Specific strategies to increase parental involvement, based upon results of the needs assessment have been identified and implemented. Strong collaboration with community resources is evident. Parents are included as decision makers in a broad spectrum of school decisions.	
Preschool Transitional Strategies	Collaboration is evident between the elementary school and preschool programs (Head Start, Even Start, etc.) Specific strategies for helping students' transition into the elementary setting have been identified and implemented.	
Timely and additional Assistance to Students Having Difficulty Mastering the Standards	The school has a well-defined process that is currently being implemented to identify students experiencing difficulty mastering the State's standards. Timely, effective and additional assistance is provided for students experiencing difficulty mastering the state's standards. Thematic, integrated instruction, designed to accommodate the needs of various learning styles is provided.	
Coordination and Integration of Federal, State and Local Programs and Resources	The school has established its new vision plan based on need, and is knowledgeable about and uses all resources available to the school to meet its goals.	
Measures to Include Teachers in the Decisions Regarding the Use of Academic Assessments	Classroom teachers developed the assessment matrix.
