

VALLEY RANCH ELEMENTARY CAMPUS IMPROVEMENT PLAN 2012- 2013

CYNTHIA ARTERBERY

VRE MISSION STATEMENT:

Valley Ranch Elementary believes in engaging students in authentic and relevant learning experiences. We encourage our students to excel through collaboration, communication, and personal responsibility. Using the PBL (Project-Based Learning) cycle, learners become critical thinkers, consumers of information, informed researchers, and effective communicators. As group collaborators and informed decision makers, students will create authentic final products.

CISD DISTRICT IMPROVEMENT PLAN

STRATEGIC OBJECTIVE/GOAL 1: We will effectively deliver a rigorous and relevant curriculum using technology, assessment data and other effective instructional strategies to engage all learners in meaningful learning experiences.

- **Performance Objective 1:** Align the written, taught and assessed curriculum.
- **Performance Objective 2:** Sustain district-wide EC-12 TEKS-aligned curriculum and assessment with research-based instructional practices that enhance all curricular areas.
- **Performance Objective 3:** Communicate the district assessment plan to parents and teachers and report outcomes individually to parents and collectively to stakeholders.
- **Performance Objective 4:** Expand district educational and business partnerships with the local and global community.
- **Performance Objective 5:** Implement a system or systems to assess 21st Century skills.
- **Performance Objective 6:** Integrate 21st Century learning skills within the district.
- **Performance Objective 7:** Increase connections between real world experiences and authentic classroom instruction.
- **Performance Objective 8:** Transform systems to more effectively prepare students to be successful in post-secondary education and beyond.

STRATEGIC OBJECTIVE/GOAL 2: We will identify CISD character traits to be integrated throughout the district and develop means to assess student demonstration of those traits.

- **Performance Objective 1:** Promote the development and demonstration of positive character traits including (but not limited to): Courage, Trustworthiness, Integrity, Respect & Courtesy, Responsibility, Fairness, Caring, Good Citizenship, School Pride consistent with the terms of the TEC Section 29.906.

STRATEGIC OBJECTIVE/GOAL 3: We will increase efficiency in the district operations and educational delivery system through the use of technology, and further develop business and community partnerships in order to best achieve our mission and objectives.

- **Performance Objective 1:** Increase CISD staff's level of technology integration expertise (proficiencies) through a differentiated staff development program that addresses 21st Century technology skills.
- **Performance Objective 2:** Develop a "green" IT strategy and promote "green" initiatives to reduce energy costs and appropriately manage electronic waste.
- **Performance Objective 3:** Enhance the communication system to provide district staff, parents, community members, and business partners with secure, effective and efficient communication via a reliable and dynamic infrastructure.

CISD Strategic Plan

List the identified needs of your campus derived from data review

Based on our STAAR test results,

- We will continue to focus on effective math strategies that will allow students to critically think and problem solve.
- We will continue to provide students reading opportunities that allow us to assess student across different reading skills.
- Provide opportunities for teachers to reflect on the data and set specific goals to address areas for student improvement.
- Develop strategies for improving the performance of African American students in the areas of science and reading.

We will provide strategies that will enhance our special education and LEP learners in all content areas.

We will continue to provide local assessments, such as DRA2 to help plan and drive instruction for all students.

We will provide opportunities for teachers to create and design projects as well as give feedback through classroom observations, walkthroughs, and identifying effective teaching.

We will continue to teach through the lens of PBL and provide opportunity for staff feedback by using surveys, this will help guide our overall school plan.

We continue to foster a reciprocal relationship with district liaisons, PBL coaches, content directors to enhance our overall learning environment and the implementation of the CISD Strategic Plan.

Instruction by Highly Qualified Professional Staff	<p>Teachers and paraprofessionals meet the highly qualified requirements; parents are aware of the highly qualified status of all teachers.</p>	<p>We will ensure that a highly qualified instructional staff member leads all classrooms and recruiting process and that all teachers are assigned to areas in which they are certified to teach.</p>

Components of a Schoolwide Plan	Standard	Evidence of Standard Completion and/or Progress Toward Completion
Highly-qualified and Ongoing Professional Development	<p>All staff is trained to meet individual needs of all students, but particularly the lowest achieving students of any program that is included in the schoolwide program.</p> <p>All staff receives ongoing and sustained professional development that is aligned with the goals of the new vision plan.</p>	<p>Professional learning opportunities will be provided in the areas of the PBL cycle, data analysis, rubric designs, questioning strategies and formation and summative assessments.</p> <p>We will retain staff by providing ongoing professional learning, recognizing and honoring their strengths and providing a cohesive work environment.</p>
Strategies to Attract Highly Qualified Staff	The School is allowed to provide incentives for highly qualified teachers to teach in high need schools.	Information regarding our school will be displayed on our campus webpage, shared via parent meetings, and provided through other modes of media. Our overall progress as a school will be shared as a way to attract all stakeholders.
Strategies to Increase Parental Involvement	<p>Specific strategies to increase parental involvement, based upon results of the needs assessment have been identified and implemented.</p> <p>Strong collaboration with community resources is evident.</p> <p>Parents are included as decision makers in a broad spectrum of school decisions.</p>	Parent meetings, newsletters, and parent-teacher conferences will be used to increase parental involvement. This will be evident through their attendance and documented with sign in sheets.

Components of a Schoolwide Plan	Standard	Evidence of Standard Completion and/or Progress Toward Completion
Preschool Transition Strategies	<p>Collaboration is evident between the elementary school and preschool programs (Head Start, Even Start, etc.)</p> <p>Specific strategies for helping students' transition into the elementary setting have been identified and implemented.</p>	Kindergarten round up is provided in the Spring of each year, parent meetings, and opportunities to experience the classroom environment is extended to preschoolers. Teachers have the opportunity to provide curriculum information to parents annually. This transition is continued in the Fall at a meet the teacher night to prepare students for the first day of school.
Timely and additional Assistance to Students Having Difficulty Mastering the Standards	<p>The school has a well-defined process that is currently being implemented to identify students experiencing difficulty mastering the State's standards.</p> <p>Timely, effective and additional assistance is provided for students experiencing difficulty.</p> <p>Thematic, integrated instruction, designed to accommodate the needs of learning styles is provided.</p>	Teachers will differentiate for all students to meet their individual needs. Pre-assessments are provided as a tool to help guide lesson planning. Additional monitoring of students is provided through the Response to Intervention (Rtl) process, which allows grade level teams to collaborate and if additional assistance is needed the Rtl team, along with parents will meet to address the needs of the learner and monitor their progress. Teacher will also continue to have professional learning designed to accommodate the needs of various learning styles.
Coordination and Integration of Federal, State and Local Programs and Resources	The school has established its new vision plan based on need, and is knowledgeable about and uses all resources available to the school to meet its goals.	All funds are coordinated and used to meet the needs of all learners based on data. Our overall goal is to teach through the lens of PBL, therefore materials, supplies and equipment I purchased to support our overall goal.
Measures to Include Teachers in the Decisions Regarding the Use of Academic Assessments	Classroom teachers developed the assessment matrix.	As teachers create PBL projects, they will also design rubrics for assessment. Professional learning opportunities will also be provided with the assistance of PBL coaches and content directors.
