Austin; A bold Adventure

The Fourth graders took their annual field trip to Austin on May 24. Students visited The Bob Bullock Museum and The State Capitol. There was a t-shirt contest and Stacy Hong won the honor of the entire fourth grade wearing her design. Way to go Stacy!!!! All fourth graders went on a trip they'll never forget.

Sky Ranch 2012

On May 2-4 fifth graders headed out to Sky Ranch in Van, Texas. Although it was super hot, they had a great time. They participated in activities such as nuke'em, Clue, swimming, horseback riding, and zip lining. They also got to hold tarantulas. It was definitely

one of the best elementary school experiences. We all had a blast and wish we could go there again.

Middle School

After this summer all fifth graders will be entering a Middle School. Whether they're future Bronos or Wranglers or something else, all of us will be experiencing something new.

All of us ponder the question :

What will mid-

dle school be like?

Will it be stressing? Will it be amazing? What class is that at?Where am I? Is that the lunch bell? Oh my GOSH!

But, we all have to settle down and remember, we have the rest of the summer to ponder these questions floating in our heads and through all

that remember

It all depends on the road we choose to follow.

Fifth Grade Recognition

Fifth graders are graduating Valley Ranch Elementary school on June 1, 2012. Students are going to CMS West and others are going to CMS East. We can't wait to start a new adventure but we'll miss this school a

lot! We'll miss our friends even more! It feels like you've been here your whole life! For some of us we've been

here since Kindergarten. Some of us are new this year. It's really hard to let go. Good luck in middle school!

Editor's Response

Dear Editors,

School uniforms, are they good or bad? Well, have you really thought about it? There are many good and bad reasons to it! First, in the morning when you get ready for school, you would already have your clothes out. But the thing is everyone would look the same! Which I'm guessing a lot of kids don't like. But also, kids like to have their own unique style. And you would have to wash it over and over again, which probably doesn't make parents happy. So again, some kids would dislike uniforms and some wouldn't even care. What do you think?

From Shania Khan

Dear Shania,

That's a cool idea! WE will enforce it right away! Just kidding! Everyone has their own style, and no one wants to be twins EVERY DAY!!!!

But it's up to the School Board!

Have a "STAR" Summer!!!!

From,
