

NTH@C Schedules and Shuttles

Each school day consists of 28 “mods”. During the day, each learner will attend six classes which consist of four mods each. Each mod is 15 minutes, making each class one hour. Every learner will also have two mods for Independent Research sometime during their day and two mods for lunch. Below, you will find our schedule.

If your student is traveling to CHS for an extra-curricular activity you will need some help reading their schedule. In the midst of the New Tech “mods” , their schedule may have a “1” or “4” These numbers are the period in which their class is taking place at CHS. In order to help you understand how these periods fit into our modular schedule you may want to use the following conversion chart.

CHS Period	NTH@C Mods
1	1-4
2	3-6
3	7-10
4	11-14, plus 15-16 lunch at CHS
5	18-21, plus 15-16 lunch at CHS
6	21-24
7	25-28
