

# Code2Learn: From Playgrounds to Curriculum

February 5, 2018

**Essential Question:** How do we increase our capacity to teach and learn to code?

## Self Assessment

In my classroom/campus/district, the coding exposure level is

|Broad & Deep Exposure| | | | Moderate Exposure| | | |Basic Exposure|

Reflection Point #1: Open Play	Reflection Point #2: Exploring Curriculum	Reflection Point #3: Guided Play
