

new TECH@nite

Overall Schedule	
6:30-7:30 in various classrooms	Campus tours with classroom demonstrations and presentations. Meet in the cafeteria to get your tour guide and to sign in (if this is your only meeting you will be attending). See table below for more details.
7:30-7:40 in the cafeteria	Signing Ceremony- this event will be less formal than a college signing ceremony, but we want to welcome our new learners with a small event that is all about them! Learners will have an opportunity to sign their commitment forms early and take pictures with NTH@C props. Any learner who has filled out an application can participate!
7:40-8:00 in the cafeteria	Q and A session for those who still have questions about NTH@C

Time-Specific Sessions You May Attend Between 6:30-7:30		
Room 407	6:30-7:30	The 2020 Social Media Marketing course will be holding a Social Media Gallery Walk. Exhibits cover the history and monetization of marketing on Facebook, Twitter, Instagram, Snap Chat, You Tube and Tik Tok. Each showcase will feature popular influencers, celebrity accounts and target market demographics for each platform. Strategies will be presented on ideal timeframe and duration of campaigns based on platform analytics.
Room 304	6:30-7:30	Slam poetry presentations and digital media showcase. This is a showcase of a rookie year project. There is also information about the digital media class.
Room 401	6:30-7:30	Forensic science workshops and demonstrations
Room 412	6:30-7:00 7:00-7:30	<ul style="list-style-type: none"> Opening statement workshop. Our Model United Nations team is traveling this weekend to New York for competition. World of 7 billion project videos will be shown.
Room 404	6:30-7:30	Demonstration of the Amazon Scout project from a cross-curricular unit by Geometry and Computer Science.
	6:30-7:30	Problem Based Learning (PrBL) in the Math classroom.
