A Young Adult Rom-Com Book Club

(**Knapp**)

DECA (Distributive Education Clubs of America) is an association of marketing students that encourages the development of business and leadership skills through academic conferences and competitions. We compete at conferences regionally, statewide, nationally, and internationally. DECA provides valuable opportunities to enhance your college application and expand your personal and professional growth.

NTH@C Clubs

First Tech Challenge Teams (**R. Hunter**)

We are a team of marketers, engineers, and event planners who compete in the FIRST Tech Challenge. Each year we build a microwave sized robot to compete in a unique event that stretches our imaginations and determination. We also work with kids in the community to help spark future engineers and entrepreneurs by exposing them to the world of robotics.

LLC

Learners Leadership Council (**Hufford**)

(**Hufford**)

Mu Alpha Theta, the National High School and Two-Year College Mathematics Honor Society, was formed in 1957 at the University of Oklahoma. We are dedicated to inspiring a keen interest in mathematics, developing strong scholarship in the subject, and promoting the enjoyment of mathematics in high school and two-year college students. Currently, more than 124,000 students are Mu Alpha Theta members at more than 2,633 schools in the United States and in 23 foreign countries.

MUN

Model UN (**Boyd**)

NHS

National Honor Society (**Greenwalt**)

NTC (**Granado**)

Networking Team Captains (NTC) is a leadership based course that is comprised of learners who are dedicated to building culture and unity at NTH@C. The main responsibilities include planning and implementing Friday Networking activities, school-wide Fabulous Fridays and other service projects at NTH@C. These learners are an intricate part of the NTH@C culture and strive to ensure a strong “family feel” within our school. Learners are selected for the course through an application process in the spring.
