GUIDING PURPOSE: Through our unique family culture, we challenge individuals to make meaningful connections to learning experiences, exhibit strong character, and develop servant leadership so they can make a positive difference in their own and others' lives.

Partnerships

CMS West has several community members and business partners that support and mentor learners. We appreciate the support that our business community provides our campus.

Community Service

During the 2019-2020 school year, the CMS West staff and learners will spend one entire day serving the community through various projects around the Coppell ISD area. Our learners also give back to their community through various projects, including donations to Metrocrest Services.

Clubs and Extracurricular

CMS West offers a variety of clubs and extracurricular activities for our learners including Drama Club, Youth and Government, Athletics, Student Council, National Junior Honor Society, Band, Choir, Theatre Science Olympiad and Academic UIL.
