

CISD Digital Learning Parent Information

Coppell ISD is a 1:1 iPad district. This means that every learner PreK-12th is issued an iPad. Secondary learners are also issued keyboards and Apple Pencils to use with their iPads. To learn more about the basic iPad operations and features go to:

bulbapp.com/u/ipad-basics~1

Coppell ISD Network User Name and Password

Network username and passwords are synced across most district digital accounts.

- **Username:** 3 initials (first, middle, last name) + last 4 numbers of student ID (ex: abc1234) - *If your child does not have a middle initial, use x*
- **6th -12th Password:** The default password is cisd + student ID (ex: cisd12345)
- **PreK-5th Password:** 12345678
- The password can be changed by going to accounts.coppellisd.com

Learner Email Account

Your child's email is a CISD Gmail account.

- **Username:** (District username)@g.coppellisd.com Ex: abc1234@g.coppellisd.com
- **Password:** Network Password
- Accept the terms and conditions on first use.

Managed Apple ID

To comply with FERPA/COPPA standards and provide a safer online environment for learners, Coppell ISD partnered with Apple to create Managed Apple IDs for all learners.

Learners do not have access to the App Store, iTunes, or iBooks store and can only download content and apps that have been district approved, through the pre-installed Manager App.

- **Username:** (District username)@appleid.coppellisd.com
- **Password:** Birthday- Two digits for month, day, and year (ex: 010211)
- Learn more about how Apple Protects Student Privacy at bit.ly/ApplePrivacyForParents

Schoolology

★ PARENT LOG IN AVAILABLE

Schoolology is our district's learning management system. It offers a platform for collaboration, communication, organization, discussion boards and a place to submit assignments. Educators can review learner work and provide feedback. **Please note: It can take up to 48 hours after your accounts are set up for you to have access.**

- Learners go to schoolology.coppellisd.com
- **Log in:** network username (abc1234 -- **not full email address**) and network password
- To learn more about Schoolology including how to access a **parent account** go to bulbapp.com/u/parents~13

Home Access Center

★ PARENT LOG IN AVAILABLE

<https://hac.coppellisd.com/>

4th-12th graders can view grades, assignments, report cards, attendance, and class schedule in HAC

- **Log in:** network username and network password
- To learn more about how to log in to your **parent account** go to coppellisd.com/Page/13150

★ Grade levels using Standards Based Report cards do not have grades posted in HAC (PreK-3rd)

MackinVia

MackinVIA is a complete eResource management system providing easy access to eBooks and educational databases.

- **Log in:** network username and network password
- Learn more about how to access resources and databases at bit.ly/CISDMackinVia

Technology Help

For iPad technical issues and troubleshooting tips go to bit.ly/CISDiPadHelp. For a broken or lost iPad submit a **HELP REQUEST** by signing up at COPPELLISDHELP.ZENDESK.COM

Apple's Screen Time and Content Restrictions

With Screen Time, parents can see how much time their children spend on apps, websites, and set limits. With Content & Privacy Restrictions in Screen Time, parents can block or limit specific apps and features on their children's devices. Learn how to set up at bit.ly/iPadRestrict

CISD Content Filters

Anytime the internet is accessed by a CISD issued iPad (including off-campus), the access will go through the CISD filter. Our district internet filter currently blocks the following categories: Child Abuse Content, Proxy/Filter Avoidance, Gambling, Hacking, Pornography, and a black list including URL's we define that were not caught by our category/reputation filter. **Note:** the iPads do not come with a cellular plan so WiFi must be used to access the internet.

iPad Accessibility Features

The iPad provides many accessibility features to support vision, physical and motor, hearing, and learning needs. Learn how to configure these features and set up shortcuts for easy access at bulbapp.com/u/accessibility-for-all

Apple Classroom and Schoolwork

These two apps give educators the power to guide and monitor learning, share work, manage learner devices in the classroom, and provides educators with a summary of each learner's iPad activity. To learn more about iPad monitoring tools go to <https://www.bulbapp.com/u/monitoring-tools>

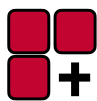

Bulb Digital Portfolios

Bulb App is CISD's digital portfolio platform. Learners can create, share, and showcase learning through their digital portfolios.

To Log in learners:

- Go to www.bulbapp.com
- Tap "Sign in"
- Tap "Clever"
- Search for and select school
- Tap "Log in with LDAP"
- Log in with CISD network username and password

Visit our Digital Learning Coaches Bulb portfolio of curated parent and family resources online at bulbapp.com/u/family-resources~3

Self-Service

Every iPad comes with access to "Self-Service," which is like a store that houses the apps approved by district curriculum staff to support consumption, curation, and creativity. Learners do not have access to the iTunes App Store. To access Self-Service:

- Open the Manager App
- Tap "Self-Service" in the top right hand corner of the screen
- Tap "My Apps"
- Search for the app
- Tap Install/Reinstall

Mosyle Manager CISD's Mobile Device Manager

Screen Guide

Screen Guide is a feature in Mosyle that allows parents to manage their learners' iPads via the Mosyle ScreenGuide App. The ScreenGuide app offers controls like:

- Configure screen time limits
- Remotely lock the iPad
- Lock the iPad into an app
- Hide certain apps on the iPad

To get started, follow the steps found at bit.ly/MosyleScreenGuide. Learn more about the ScreenGuide App at bit.ly/AboutScreenGuide.
