Electronic Flyers

CISD cooperates with community groups and organizations that sponsor activities of an educational/enrichment nature for students, and meet the CISD Electronic and Printed Materials Guidelines criteria, by distributing materials electronically via **Peachjar** (www.peachjar.com). As part of our efforts to be more environmentally friendly, embrace innovative technology, and maintain fiscal responsibility, distribution has transitioned from paper to electronic flyer delivery.

E-Flyer Distribution Process:

To request flyer approval, follow the steps below.

- Visit www.peachjar.com
- Register as an Enrichment Provider (account type).
- Upload your flyer for approval.

Flyers will be automatically submitted to the district Communications & Community Engagement Office for approval. District staff will review the material and “Approve” or “Deny” based on the standards listed above. Peachjar charges a fee for this service that is typically much less than the cost to copy and ship paper flyers.

Visit www.peachjar.com for service fee information.

Approval process for Printed Materials: (yard signs, posters, coupons, etc.)

For approval of “other” materials (not flyers), e-mail an electronic copy of the yard sign, poster or coupon, etc...to Communications@coppellisd.com with a description of dates and campus placement requested.

Yard Signs: Once approved by the CISD Communications & Community Engagement Office, signs may be made one-sided, no larger than 18x24 and posted in the parent loop of each campus requested. Only two organizations will be approved to post signs on each campus at a time (not including “Game Day” signs.) Signs may be posted no earlier than one week prior to the event and must be removed by that organization by the next business day following the event. Signs may be placed on district property only, which is between the sidewalk and the building.

***Signs posted without approval may be removed and discarded.**

Coupons: CISD does not allow the distribution of unsolicited commercial advertisements, special offers, or discount coupons to students or staff.

*Campus administrators may procure coupons to use as rewards or academic incentives for students as long as the offer is a completely free item and has no conditions of purchase. (Ex: Students who read 20 books will receive a coupon for a free ice cream from a local restaurant.)

Electronic Communications: Electronic, Eblasts, or E-mail distribution groups, utilizing parent or student databases procured by the District, will only be utilized by CISD for the educational and informational purposes of the District.

Third-party groups may not receive District services/support (including the hosting of their websites, posting of information, and use of District e-groups) under violation of the Texas Constitution (i.e. gift of public funds).

*Coppell ISD reserves the right to change or modify these guidelines as needed.
