

Daily Announcements CMS East

Would you like to know what is going on at Coppell Middle School East each day? Do you wish you could receive a daily e-mail that includes all of the announcements that are made on the live announcements each morning?

Wish no more. The CMSE Yearbook/Media students at CMS East will be distributing the announcements each day through a group e-mail distribution list. Announcements will be made each day orally, typed up, and then e-mailed directly to you by the end of that same day (up to two addresses). All you have to do is sign up and pay a fee of \$10 to receive the announcements each day that they are made, for the entire school year. This is a fundraising activity that will directly benefit the CMSE Yearbook/Media program and its students.

Your contact information will never be given to any other groups affiliated with the school or outside of the school. Please remember to contact us immediately if your e-mail information should change.

Don't delay. Start getting your e-mails immediately. Simply complete the form at www.coppellisd.com/announcements and turn in \$10 CASH (no checks) to the front office in an envelope labeled:
