

AP Exams at Coppell High School

The registration deadline for AP exams was November 4th. We are not allowing late registration.

NEW! You can receive a full refund until April 1st for your exam(s).

Full payment is still due by March 3rd. Non-payment will result in CHS not ordering your exam.

If you missed the deadline and still want to take the exam, you can find another local school who is allowing late registration. Flower Mound High School is no longer accepting out of school registration.

If you are able to find a school allowing late registration, you will log in to their Total Registration site (find the link on their website.) Register there for your exam(s) and select “independent study” or “exam only” or “no teacher,” depending on what the site offers as a choice. Your registration may have to be approved by the school’s test coordinator before you get your join code. Once you get your join code, you will register in MyAP using that join code. You will then test at that school for the AP exam. You must register/pay in Total Registration AND join your class in MyAP in order for any school to order your exam.
