

On October 12, 2022, Coppell High School will administer the PSAT/NMSQT to all 10<sup>th</sup> and 11<sup>th</sup> grade students. The PSAT/NMSQT is given each year to all tenth and eleventh grade students enrolled in Coppell ISD at no cost to the student or their family. The PSAT/NMSQT is an assessment which measures the skills and knowledge needed for college readiness and success. The test is also used to qualify for scholarships with the National Merit Scholarship program.

If a student is eligible for testing accommodations through a 504 plan or an IEP, the deadline to submit a request for accommodations is August 23, 2022. Please visit this link [Coppell High School Assessment Accommodations](#) to download and fill out the request form.

For more information about the PSAT/NMSQT, and the National Merit Scholarship Program, you may visit this [link](#).
