

Community Based Accountability System (CBAS)

CBAS Updates and Progress

Continuing to Build and Review our Data Sources

- Quantitative and Qualitative Data (examples: NWEA MAP, mclass literacy screener, Panorama survey results/feedback, participation numbers of learners in specific areas, training provided to educators, etc.)
- Reviewing with other TPAC districts what they are sharing with their community

Continuing to Meet as TPAC Groups

- Texas Public Accountability Consortium (50+ Districts) - TASA Midwinter next meeting
- Monthly meetings with our District TPAC group - Dr. Brad Hunt, Dr. Angie Brooks, Dr. Deana Dynis, Dr. Greg Axelson, Cooper Hilton and Melissa Arnold (recent addition Angela Brown)
- Meeting with small cohort of TPAC districts (Prosper ISD, Grapevine-Colleyville ISD, Sunnyvale ISD, Royse City ISD, Burkburnett ISD, and Frisco ISD)

CBAS Next Steps and Communication

School Board Training and Collaboration Opportunity

- February 2022 - School boards coming together - Coppell, Grapevine-Colleyville, Sunnyvale, Prosper, Burkburnett, Royse City and Frisco
- The Why of Community Based Accountability and the Need for It
- Understanding of TPAC and the Work being Done
- Data Sources and Understanding Need of Balance Qualitative and Quantitative - What does the Community value?

Communicating About Community Based Accountability

- CISD Magazines - Focus on Community Based Accountability
- Campus and Department Presentations - Spring 2022
- Community Forums - Spring 2022 to share progress and gather feedback on CBAS and other Visioning Work
- Publishing and Presenting our 1st CISD Community Based Accountability Report - August 2022
