Long Range Technology Plan Goals

**GOAL 1**: Expand digital programs and services to meet the needs of all learners in order to be contributing citizens in an evolving world.

**GOAL 2**: Prepare our CISD educators to become designers and consumers of learning experiences that leverage district platforms and tools.

**GOAL 3**: Provide adequate staffing support (technical, administrative, and instructional) for every campus, K12, to support the district 1:1 program.

**GOAL 4**: Improve community awareness of the role of technology in CISD.
Long Range Technology Plan Goals

GOAL 5: Maintain a secure, highly available, redundant, and scalable infrastructure.

GOAL 6: Data and documents that are fully integrated and accessible to provide functional reporting.

GOAL 7: Utilize effective and comprehensive communication systems for all stakeholders.

GOAL 8: Maintain equitable standards across the district
