In April, 2011, the Coppell ISD Board of Trustees approved the use of Open Enrollment for the admission of elementary students who live within the City of Coppell, but outside the attendance boundaries of CISD (an area which includes, but is not limited to Coppell Greens and Riverchase). Residents in these neighborhoods have lobbied CISD for years to consider allowing their children to attend the schools in the community in which they reside. The decision was approved by the Board for a few elementary schools with declining student enrollments.

This change in the district's policy is intended to create greater efficiency of operations by allowing the predetermined campuses to maximize their enrollment capacity in buildings that are already being heated, cooled, and cleaned. The move could also save a few teaching positions and generate \$700,000 - \$1M in additional revenue for the district depending on where the legislature sets CISD's target revenue and the number of students who apply.

The Coppell Independent School District has developed this booklet as a resource for parents who might be considering Open Enrollment as an option for their child. In doing so, we have tried to anticipate every possible question and scenario in an effort to assist you in your decision-making. This booklet includes policies and procedures, a checklist, and some frequently asked questions...all important information to know prior to submitting your child's application. Any additional questions may be directed to the Open Enrollment administrator, Janet Briel, by e-mail at openenrollment@coppellisd.com or call 214.496.6062.

Frequently Asked Questions

What does Open Enrollment mean in Coppell ISD?

In general, Open Enrollment is the term that is used to define the school district's ability to accept applications for enrollment from students who reside outside the district. In the Coppell Independent School District, Open Enrollment specifically applies to the elementary students who reside within the City of Coppell but outside the CISD attendance boundaries.

Why is Coppell ISD offering an Open Enrollment process at this time?

An Open Enrollment process at this time will help the school district accomplish multiple goals: operate low enrollment campuses with greater efficiency (heating, cooling, cleaning, etc.), possibly preserve teaching positions, and generate new revenue for the school district for each additional Open Enrollment student accepted.

How much additional revenue could the school district generate from Open Enrollment?

Open Enrollment has the potential to generate \$700,000 - \$1M for the district depending on: the amount of target revenue per student (set by the state), and the number of students accepted through this process.

Are there required criteria to apply for Open Enrollment?

Yes. During the 2016-17 (current) school year, the student's attendance rate must have been maintained at 95% or better, (4.5 absences/semester, and no history of tardies) they must have passed all classes as well as all sections of the most recent STAAR test (or equivalent) taken, and they may not have been placed in any disciplinary program. *See Application Standards (page 8).*

How will Open Enrollment letters of intent and applications be accepted?

All submissions will be made electronically generating a date and time stamp, which will create a waitlist for New Enrollment seats.

When will Open Enrollment & Re-Enrollment for the 2017-18 school year begin and end?

Re-Enrollment - begins 8 a.m. on Wednesday, June 7, 2017 and ends 4 p.m. on Thursday, June 15, 2017.
New Enrollment - begins 8 a.m. on Friday, April 28, 2017 and ends 4 p.m. Wednesday, August 2, 2017 for the first semester and begins 8 a.m. on Thursday, November 16, 2017 and ends at 4 p.m. on Friday, December 1, 2017, for second semester.

Can children from all grade levels participate in the process?

No. Only elementary students entering grades K-5 in the 2017-18 school year will be eligible to participate. Should the Open Enrollment program continue, students would be able to attend middle school and high school in the Coppell ISD.

What campuses will be participating in the Open Enrollment process?

Limited spaces are anticipated to be available during the 2017-18 school year at Cottonwood Creek Elementary. *****Only families with students already attending Austin Elementary or Town Center Elementary may apply for a sibling to also attend there. Acceptance is not guaranteed.***

Can I choose the school my child will attend?

No. Seats will be filled based on space and program availability and upon meeting all required criteria.

How will seats be filled?

Subject to availability at each campus, New Enrollment seats will be offered from the waitlist and based on the receipt of a completed application, which meets all of the criteria.

Will I need to pay a tuition fee for my child?

No. Tuition fees will not be charged for the 2017-18 school year.

Will the school district provide transportation for students in the Open Enrollment process?

No. Transportation to and from school **will not be provided** to Open Enrollment students.

If my child is accepted for Open Enrollment for the 2017-18 school year, will they need to reapply again the following year?

Yes. The Texas Education Code stipulates that every district in Texas that has Open Enrollment must have an annual reapplication requirement. The Board of Trustees voted to approve Open Enrollment for the 2017-18 school year.

If one child in a family is accepted, is/are their sibling(s) guaranteed automatic admission?

No. Open Enrollment application is by student and not by family.

When will I be notified of my child's acceptance into the Open Enrollment

Re-enrollment parents will be notified in writing of the acceptance or denial of their student's application by Friday, June 23, 2017.

GENERAL INFORMATION

Coppel ISD (CISD) is accepting applications for Open Enrollment transfers at selected campuses for students who will be attending grades Kindergarten through the 5th grade during the 2017-18 school year. The number of openings for open enrollment students in grades K-5 is limited and will be determined by CISD administration based upon campus and grade level capacity, growth projections, teacher allocations, special circumstances, and/or other administrative considerations. Only one elementary campus will be opened for enrollment this year. Preference is given to students who are already in attendance at the requested campus and to incoming Kindergartners with older siblings admitted through Open Enrollment. New Open Enrollment letters of intent will be filled out initially. Full applications will only be required when seats are offered in August for first semester and December for second semester. There will not be a tuition fee for students accepted through the open enrollment process for the current school year; however, this waiver of fees may be reviewed in successive years. The CISD Board of Trustees reserves the right to discontinue the open enrollment process at the end of any successive school year. The Texas Education Code requires that parents apply and re-enroll their students each school year. (See Coppel ISD Board Policy FDA (LOCAL))
