

# At-home online Safety

Quick Bytes Stations

# Directions for Station Activity

1. Scan the QR codes
  2. Peruse the information in the website
  3. on the yellow post-its, record two "likes" (one like per sheet)
  4. on the blue post-its, record a question if you have one
- 

If you have the same "like" as someone else, feel free to place a tally mark next to the already stated "like."

Please Do NOT set any parental controls on the school iPad that you are using right now. :)

# iPad Parental Controls

Scan these codes to learn more about parental controls available on the iPad or in iTunes.

Please Do NOT set any parental controls on the school iPad that you are using right now. :)
