

# new TECH@nite

**February 9th, 2021**

Overall Schedule	
6:00-6:35	Information Session: This is the same information session that Ms. Batik has been giving throughout the recruitment season. If you have already attended, there is nothing new and you do not need to attend this session. <u>If you have not attended, you need to participate in this information session (or the same session on another date) to have a complete application.</u>
6:30-7:30	See the table below for the various sessions you can attend during this time.
7:30-8:00	Q and A session for those who still have questions about NTH@C

Time-Specific Sessions And Zoom Links		
Time	Zoom Link	Session Description
6:00-6:30pm	<a href="#">Zoom Link</a>	Information Session with Ms. Batik
7:30-8:00pm Q & A Session		Q&A at 7:30pm also
6:30-7:30	<a href="#">Zoom Link</a>	Members of our PTSO organization will be available to answer your questions from the perspective of being a parent of an NTH@C learner.
6:30-7pm Opening Statement Performances	<a href="#">Zoom Link</a>	During the 9th grade year, all learners participate in a mock Model United Nations simulation. In addition, all learners have the option to join the NTH@C Model UN team. Tonight the learner delegates will provide information and demonstrations of this format. The Global Issues Club is a comprehensive club with three branches, UNICEF is service learning, Model UN is competitive debate, and JWAC is
7-7:30 Club Info Q&A for UNICEF, JWAC, & MUN
